## General Information

### Regulations and Liability

The authority to establish these regulations regarding on campus parking for visitors, employees, and students is derived from Chapter 36 of the Wisconsin Statutes, specifically 36.11 (8)(a) and 36.11 (9)(b) and Section 20.285 (1)(h). The Board of Regents has granted the authority to the Chancellor who delegates the authority to the Campus Dean and/or the Campus Dean's appointed authority.

UW-Marathon County is located on Marathon County property and therefore subject to the smoking ban. Individuals may not smoke in their parked vehicles, if on county property.

All Wisconsin motor vehicle laws are applicable to the campus.

UW-Marathon County assumes no responsibility for any damage to any vehicle or its contents, operated or parked on campus property. Campus employees may not assist with vehicle problems because of potential damage to the property or injury to a person.
