UWMC Food Cooperative Catering Guide

General Information:

The Food Cooperative is the official caterer for any event held on the University of Wisconsin-Marathon County Campus. Please contact the Food Cooperative Staff prior to your event so planning can begin. A UWMC Foo Co-op requisition will be completed and placed on file with the details of the scheduled event. The Food Cooperative Staff will be happy to help plan or offer suggestions for your catering needs.

*Orders for refreshment breaks should be placed approximately **seven working days** before your event. Orders for meals and receptions should be placed approximately **fourteen days before** your event. The final count of guests is needed **72 hours** (three business days) before the event.*

Room reservations are made with the UWMC Room Reservation office. Please contact the Room Reservations office by phone (715) 261-6212 or e-mail mthrooms@uwc.edu for details. Please complete your room reservations prior to contacting the UWMC Food Service Cooperative for catering needs.

We will prepare food to serve only five percent (5%) above the guaranteed number you specify for buffets and plated meals only. Price quotes do not include sales tax. If your organization is tax exempt, please specify and include a formal exemption certificate. We will keep these on file for future events. On all requests, please include a "contact" person's name, phone number and email address. Include a mailing address if this is an off-campus customer.

Billing in regards to cancellations/no-shows: If your group knows of cancellations 48 hours (2 business days) before the event, the food count may be adjusted for billing

purposes. However; if on the day of the event a group has no-shows, you will still be charged for the original number of guests for buffet style/plated meal service.

In regards to leftovers, we do not advise that you take leftovers with you for food safety purposes, especially if items in question contain dairy products or mayo based products. For your safety these items cannot be taken with you. If you desire to take other food items, you must sign a waiver that states if you or anyone else who consumes the food and gets sick; the Food Service Cooperative is not at fault and cannot be held responsible. However; if your group has a buffet style meal, no leftovers are permitted to be taken. You must provide your own containers to take leftovers from food platter services.

Please contact the UWMC Food Service Cooperative with additional questions or concerns.

The following pages contain our most popular selections; however we are happy to develop special menus for your event.
