Kiss of the Spider Woman
7:30 pm, UW CCE Theater
General Admission-$15, Seniors-$12, UWMC Students-Free
*Kiss of the Spider Woman* is an adaptation of Manuel Puig’s 1976 novel of the same name. Set in a South American prison, the story involves two men who form an unlikely union when put together in the same cell. Molina (Zachary Wilde) is a flamboyant window dresser who summons images of Aurora (Paula Hettinga-Hall) a screen idol, who can transport him into a world of glamour or, in the guise of the Spiderwoman, haunt him with the specter of her lethal kiss. His cellmate, Valentin (Sam Ohnesorge), is a political prisoner with a necessary hard-edge to his personality. Despite natures seeming diametrically opposed, the two men gradually gain appreciation for one another as the prison warden (Michael Sherfinski) puts increasing pressure on Molina to act as an informant.

SGA and Women’s Community Sponsor:

Denim Day
Student Union, 10 am- 2 pm
Denim Day is an international protest responding to the Italian Supreme Court’s overruling of a rape conviction in 1999. Although the assailant had been found guilty at trial, the Supreme Court argued that because jeans are difficult to remove, the assailant couldn’t have done so without the victim’s help. Sounds outrageous, yet all over the world, women and men who are victims of sexual assault continue to be disbelieved and accused of causing the assault due to their behavior… or fashion sense. Community members, schools, and companies are encouraged to wear jeans on this day in support of survivors and bringing awareness to the issue.
