7 pm, UW CCE Sonnentag Hall
• March 10—China’s Foreign Policy with Chris Kroh: What does the rapid rise of this new superpower mean for other countries in the region, and are there potential points of conflict with the U.S. as it “pivots” to Asia?
• March 17—U.S Trade Policy with Hamid Milani: Now, as China and other emerging nations battle the U.S. for global influence, U.S. Secretary John Kerry will take the reigns as a free market matchmaker.
• March 24—Defense Technology with Eric Giordano: What are the “killer applications” of the 21st century battlefield and, in turn, what are the issues that the U.S. must navigate in adapting to them? (Postponed from January 27)

For more information, contact Continuing Education at 715-261-6294.

A New Website is Coming!
UW-Marathon County is in the process of redesigning and improving its website. If all goes according to plan, the updated site will be launched on March 11.

As part of this redesign, some content may move so you may need to update any bookmarks you have saved.

Among its many changes, visitors to the site will notice its improved navigation, accessibility and usability. The site will also adapt automatically to tablets and smartphones.

Win $1,000!!!!
UWMC is requesting submissions for its Husky Mascot Design Contest. Entries will be accepted until March 31, 2014. For more information on how to enter, go to www.uwmc.uwc.edu
E-cigarettes & Vapor Pens Banned From Campus!

Electronic cigarettes and vapor pens are prohibited from use in campus buildings and outside, per Marathon County policy.

In just a recent four-month period (6/25/13-10/5/13) there were several consumer complaints about e-cigarettes reported to and documented by the U.S. Dept. of Health & Human Services such as:

- Hearing loss, blurred vision, erratic heartbeat, blood clots.
- Tubercular-sounding cough and increases in mucus and phlegm.
- Recharging issues where the e-cigarette breaks and the hot coils spring out of the device causing burns and fires.
- “2nd hand vapor” issues such as headaches, burning sensation in lungs, and eye irritation.
