CONSTITUTION

1.00 UWMC COLLEGIUM. Consistent with the University of Wisconsin System (UWS) rules and regulations, the governance of the University of Wisconsin-Marathon County (UWMC) shall be vested in the faculty of UWMC and in its academic staff and students in accordance with the University of Wisconsin Colleges (UWC) Constitution and this document.

1.01 MEMBERSHIP IN COLLEGIUM. The UWMC Collegium shall comprise all faculty and academic staff and one student per 150 full-time equivalent students enrolled at the end of the second week of the fall semester, a minimum of three and a maximum of eight. The students serving on the Collegium are to be selected by the UWMC Student Government Association (SGA). Student Collegium members may not vote for the election of faculty representatives from UWMC to the UWC Senate.

A. The term Faculty means persons who hold the rank of professor, associate professor, assistant professor, or instructor in the UWC. The faculty of the UWC shall have the right to determine their own organizational structure and to select representatives to participate in UWC governance. (Some academic staff previously granted faculty status by the UWC Senate may choose to continue as "faculty" for governance purposes as allowed under "Faculty Status" below.)

B. The term Academic Staff means professional and administrative personnel other than faculty and classified staff. The academic staff of the UWC shall have the right to determine their own organizational structure and to select representatives to participate in UWC governance. For governance purposes, lecturers with 40% to 49.99% appointments will be considered half-time.

C. The term Faculty Status means only those academic staff members who have been previously granted faculty status by the UWC Senate and who may, at their choice, continue to participate as "faculty" in UWC governance.

D. Faculty or academic staff members who hold appointments that total 50% or greater at UWMC or who hold appointments totaling 50% or greater split between UWMC and other functional units of UWC shall be members of the UWMC Collegium if they select UWMC as their home campus.

E. Collegium members holding simultaneous half-time faculty and half-time academic staff appointments shall, for governance purposes, designate themselves as either faculty or academic staff by writing to the chair of the Steering Committee.

F. Members who must miss Collegium meetings because of other unavoidable obligations may vote on individual issues or elections by proxy so long as they indicate their intention to do so in writing to the recording secretary in advance. Those obligations and times must be spelled out on the written requests. Such proxies shall be counted as present for quorum purposes. The use of proxies shall be limited to specific amendments to constitutions, to senate policies and by-laws, and to elections.

G. Actions of the Collegium shall be in the form of motions or resolutions moved and seconded from the floor and approved by a simple majority of all members present or represented by legal proxy when a quorum of members is present. A quorum shall exist when more than half (>50%) of the faculty and non-instructional academic staff members of the Collegium are in attendance or represented by proxy, minus those on leave of absence. Exceptions to the simple majority rule include Constitutional amendments (section 6.0) and motions for certain parliamentary procedures as stated in the most recent edition of Robert’s "Rules of Order." All absences for reasons of professional obligations must be previously registered with the recording secretary. Amendments to the local Constitution are covered in 6.0.

H. The UWMC Dean (or the Dean’s designee) shall be the non-voting presiding officer of the Collegium.
1.02 COLLEGIUM JURISDICTION AND RESPONSIBILITIES. The UWMC Collegium shall be the governance body responsible for the academic program of UWMC. Consistent with UWS and UWC policies it shall, through its standing committees, and in conjunction with UWMC administration, review and initiate recommendations to the UWC Senate on matters of UWC-wide concern and of matters of UWMC concern, and act on matters presented to it by the UWC Senate. The Collegium and its standing committees shall have bylaws specifying their operational policies.

1.03 DIVISIONS. In cases where representation on standing committees of the Collegium should be reflective of divisional points of view, the faculty shall be divided into the following three divisions:
